Smile

Surrounded by faces
 But standing alone inside
 If we all need somebody to lean on,
 Where did my somebody go?
 With my thoughts, I'm alone

Chorus

They think they see me
 Think they know me
 Close the door in my mind
 The real me none will find
 Cuz I'm hidin' behind a smile

I wanna yell at them
 To let me in just once, but
 I'll always end up as the odd one out
 All the so-called cool people
 Don't want someone like me

Chorus
